These general drawings have been prepared using information provided by the contractor or architect and may not meet applicable state and local building codes which can vary widely. Before starting construction, the customer should be changed to satisfy: 1) state or local building codes and regulations; 2) the project's structural requirements; or 3) existing conditions specific to the project or the project site. Consult local building officials to determine if a building permit is required. We assume no responsibility for claims or damage arising from errors, omissions, discrepancies or defects in the drawing.

**\* IMPORTANT \***  
 These drawings may not meet applicable building codes  
 These drawings may need to be adapted to your specific project  
 Check with local building officials about a building permit
